## REBECCA

Of Sunnybrook Farm

No more delightful volume has been written within a generation than this wonderful story of a gifted, artistic child growing up in the narrow atmosphere of a small New England village. The unfolding of Rebecca's character is a continual delight. Her native wit, her unflagging energy, her all-embracing goodwill and her keen sense of the humorous and ridiculous make her irresistibly attractive. Her experiences are as absorbing to the white-haired grandfather as to the grammar-school miss. More than a quarter of a million copies were sold at the regular price of \$1.25. We have a limited supply just like them that we shall sell at

And 300 other titles equally as good. Ask for complete list.
